FREQUENTLY ASKED QUESTIONS

What can I send in a DSV PAK? The DSV PAKs have been designed with maximum volumes per box. For example, the contents of a PAK² should not exceed 2kg, a PAK⁵ should not exceed 5kg etc. The PAK⁶ is intended for documentation. If the PAK seals easily, then you have not exceeded the size recommendations. If you are sending fragile goods, please note you need to include packaging within the PAK. No dangerous goods can be sent using a DSV PAK.

Where can I send the PAK to? DSV PAKs can be sent from any DSV Locker parcel locker to, any main centre or regional town within South Africa. For details, visit our website www.za.dsv.com.

How long will the delivery take? Delivery in 1 to 3 working days to main centers provided that your PAK is loaded into the DSV Locker before 3pm daily. PAK deliveries to other areas will take between 1-6 working days, depending on destination. Collections and deliveries occur Mondays to Fridays.

How do I track my DSV PAK once I have inserted it into a DSV Locker? You can track your parcel up to the point of delivery via www.locker.za.dsv.com.

Can I insure my parcel? The cost of the DSV PAK, includes a maximum liability cover of R250 per box, as per the Contract for Carriage on the dispatch note attached to the box. This will entitle you to submit a claim, to the maximum value of R250, should you need to.

For any support assistance, please call us using the details shown below, Monday to Friday from 07h00 to 18h00.
