

# Boston Port Tour

May 21, 2018

**DSV**

Global Transport and Logistics

DSV Boston hosted a customer appreciation day on May 21st with breakfast, lunch, and a tour of the Boston Seaport.

The festivities included a tour of a working vessel, a discussion of the operations at the port, and a conversation about the latest developments at the seaport.

It's always a pleasure treating customers to a day of fun to show them just how appreciated their partnership continues to be.

# Feedback from our customers:

"Thank you again for the invite to the Boston Port Tour yesterday. It was so informative and fun. Couldn't have asked for nicer weather and company. The swag bags were over the top! Already using the water bottle & will be drinking the Moët & Chandon in the near future."  
-Stonewall Kitchen

"Thank you very much for having us today. I really enjoyed going to the port and seeing how the containers are handled. It was a fun (and informative) day and the weather really cooperated! Also the goodie bags are a hit!"  
-Altro

"Thank you again for including Stonewall Kitchen in the Port of Boston tour. It offered such a great perspective and we all had a nice time!"  
-Stonewall Kitchen

Guests were treating to a delicious snack spread and were sent home with a DSV goody bag, including champagne!
