

# DSV Customer Appreciation Barbecue

April, 19, 2018 - Grapevine, Texas

Global Transport and Logistics

We recently celebrated our 8th bi-annual customer appreciation barbecue, bringing together staff and clients for an afternoon full of food and fun!

Our bi-annual customer appreciation barbecue was, once again, the talk of Grapevine, Texas. Over 100 guests descended onto the DSV Dallas office for delicious food, camaraderie, and some themed giveaways.

We love the opportunity to show our customers how much their continued support means with a Texas-sized plate of brisket, sausage, pork, and sides. Thank you to everyone who helped make it such a success!

We ensure that our clients are always "dressed for success" professionally, and with our hat, apron, and barbecue toolset, that can now extend to their time at home, relaxing at the grill.

They also went home with DSV mugs, notebooks, pens, cups, and more!

Because our facility caters to two divisions, our featured guests included customers from both Air & Sea and Road, coming and learning more about DSV's different operations. Some guests traveled over 100 miles to be there!

Grapevine Fire Inspector, Tommy Nicholson, is a fixture at the DSV barbecue. "There are four events in Grapevine that I never miss: Grapefest, Main Street Festival, and DSV's barbecue twice," he said. We're proud to have such strong relationships with the city and the people in it.

An American flag is mounted on a black pole and is flying against a clear blue sky. The flag is positioned on the left side of the image. In the background, there are white and blue tents and some people, suggesting an outdoor event.

**Rene Harboe, Air & Sea District  
Manager, and our entire DSV Grapevine  
team are thankful for each attendee. We  
are already looking forward to our next  
Fall 2018 event!**
